

My experience in arts and entertainment as a promoter, manager and booking agent with Oregon Country Fair Entertainment, Eugene Celebration, L'Dieva Artists & Promotions and the UO Cultural Forum prepares me to be on the CCPA/WOW Hall Board of Directors. I understand how to build and manage budgets, schedules, artist rosters, programs and workshops and coordinate, supervise and hire volunteer crews, staff and artists.

I currently serve on the CCPA/WOW Hall Board of Directors as Treasurer and Chair of the Internal Affairs Committee composed of the Finance, Historic Preservation and Human Resources sub-committees. As a board member, it's been exciting to be a part of the renewal and re-generation that's happening and to work with a dedicated, experienced and professional board who love the WOW Hall. We've developed a cooperative and respectful environment in planning, decision making and committee work. We crafted more efficient, clarifying and humane language in compliance with state laws as we made updates and revisions to our by-laws, staff handbook, membership guidelines, and voting procedures. We developed an innovative committee structure and hired an executive director with a vision for programming and staff support, grant development, and outreach.

Looking ahead to another term, my intention is to continue ongoing committee and work group projects and focus on organizing our archives, a project I've been mindful of pursuing since the early stages of my term.
